This set is so cute. It has paper, stationery and envelopes to match which makes it so fun and quick. These retire May 2, 2023, but you can use any set to recreate this lovely set.

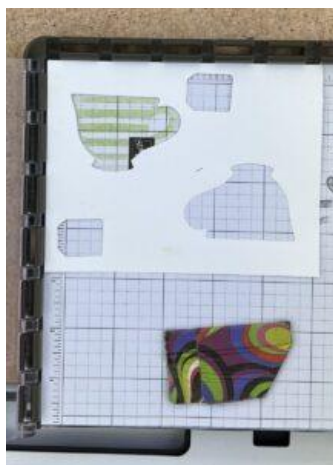

## Cutting Instructions:

- Score Thick Basic White at 5-1/2 the cut at 4-1/4. This gives you 2 top fold cards.
- Using just one card base, add an additional score at 2. This will fold back on itself.
- Cut a strip of Granny Apple Green at 4 x 1-7/8 top fold back and another at 4 x 2 1/8 for base of card.
- Using the InColor 2022-2024 DSP, cut a piece 4 x 3-1/4.

## Assembly Instructions:

- Glue smaller Granny Apple strip on back fold, the larger on the base card and the DSP on the front under the flap that folds back.
- Stamp 2 cups with you favorite pattern and die cut them out.
- Stamp "It's Time for Tea" twice and die cut out as a tea bag tag.
- Stamp "Let's get together Soon" inside.

I'm so sorry to say that our beloved Stamparatus is retired and has sold out. They may be available on eBay or some other site. It is by far my favorite too. I will review other stamp tools and create a later post with my recommendations.

I drew the lines with the card closed in a Frixion pen which is erasable (you can use a pencil). Once you have it like you like it, open card and make the lines go to the center. Next stamp the saying and make it look attached. When it's right where you want it, make the line thicker by using a slim tipped Sharpie.
